Recover Password - Step 1

The image shows a 'Recover Password' form window. The window has a title bar with a minus sign and a close button (X). The title of the window is 'Recover Password'. Inside the window, there are three text input fields. The first field is labeled 'First Name :', the second is labeled 'Last Name :', and the third is labeled 'Username :'. Below these fields is a button labeled 'Check'. Four arrows point from external text labels to the form elements: 'Type your first name' points to the first field, 'Type your last name' points to the second field, 'Type your username' points to the third field, and 'Check the informations you entered' points to the 'Check' button.

The screenshot shows the 'School Management' application interface. It features a blue sidebar navigation menu on the left and a large white content area on the right. The sidebar menu includes a user profile section at the top with a white circle icon and the name 'Amine El Azzouzi'. Below this are several menu items, each with a small icon and a text label: 'Informations' (green background), 'Dashboard' (blue background), 'Sections' (blue background), 'Group of Students' (blue background), 'Students' (blue background), 'Subjects' (blue background), 'Section & Subject' (blue background), 'Options' (blue background), and 'Log Out' (red background). Arrows from the text labels on the left point to the corresponding menu items in the sidebar. The application title 'School Management' is displayed at the top of the sidebar, and the version 'Version 1.0.0.0' is shown at the bottom right of the content area.
